Toni Watermeier sent a virtual gift in honor of Jack.

Marty and I were great friends in the 70's and 80's. He always made me feel so special. He was the kind of guy that made you feel like you were the only person in the room while you were talking. I remember laughing so hard when he was around. After my husband passed away he would call and check up on me and that was 2013. Until May of this year we spoke every few months. He was a true friend. I'll never forget him. I am so heartbroken. He will always be remembered.
