Doug was a wonderful sweet and considerate person and a very understanding boss for me. He always put his customers and their needs first. He was always considerate of everyone around him. It has been my great honor and pleasure to work with him. He has been such a good mentor to me and I will miss you a lot. He did love his Chick fila-A a lot for sure that was his go to place to eat and he never forgot to ask if anyone needed anything to eat. He was so dedicated that he could come to help a customer on his vacation as well. Thank you for being not just a boss but a good and understanding friend. May your lovely soul Rest In Peace. Lord give the family a lot of strength.
