JJ was the quintessential southern woman. The best mix of strong, graceful and strong-willed. She embodied everything that is good. She will be greatly missed, but hopefully she is with her beloved Gene. Deborah Culler

JJ was truly an inspiration to me and so many others. I worked with her the last working years of her life, and no one could accomplish more than JJ—even though she was in her 80's. She was beautiful, inside and out, and I was blessed to know her.
