Of all the teachers our son had at church growing up, Sister "Nope-a-rese" as he called her when he was very young was his absolute favorite. He loved her because she genuinely loved him and all the other children in nursery and then Sunbeams. He still loved seeing her and will always remember her. Our entire family is better for knowing her. We love you, Aunt Frances! John, Vickie, and Adam Carter

Francis always had a positive attitude. She had plenty to complain about, if she wanted to, but she didn't. What a great example she is to me!
