I met Linda some 30 years ago when when we both started working at the then Germantown Community Hospital which is now known as Methodist Germantown hospital. Linda's love for her job was so very apparent as she was always the first to volunteer when needed. As the years went by, Linda and I laughed and cried together during happy and sad times. She was one special friend that I will always remember with love. My condolences to her family as I know she will be greatly missed. Linda will always have a special place in my heart.....rest in peace dear friend! Tommye Banks
