Robert Dennis Eckert

DEC 27, 1949 - MAR 31, 2022

Robert Dennis Eckert, 72, passed away on March 31, 2022 from complications due to cancer. Even though some of his organs were failing him, his loving heart left a beacon of light for everyone that was fortunate enough to have known him.

Dennis is survived by his wife, Joeann Eckert and his son Robert Brian Eckert. He also was a wonderful father in law to Michele Kitchens Eckert, wonderful and loving Grandfather to Robert David and Matthew Stone Eckert. His cheerful attitude and bright smile will be missed on the majority of golf courses he frequented throughout the Mid-South.

Dennis was such a Great guy! I worked with him for many years at Owens Corning and he taught me so much. I really hate to hear of his passing. He always had a smile and a joke, just a Joy to be around. Praying for the family during this difficult time.

Dennis and Virginia saved my moms life. I will be forever grateful. They were everything good in this world. Dennis was the true definition of a good, kind, devoted, loyal, patient human. He is the reason ppl strive to be a better person. It was an honor to know him. Truly. You don't feel energy like his on this earth anymore, he comes from different times, and different values, and it showed. I am glad he's not in pain, and no disrespect to anyone. But I know he is where and with who he belongs with now. God Bless everyone, who are mourning, but really everyone who ever met Dennis are actually the blessed ones, because he was such a true blessing. God Speed Dennis, until we meet again.

Dennis was one of my best friends at Whitehaven Methodist Church. Have a lot of happy memories of Dennis, and Donald. Dennis was always good for a laugh and I enjoyed the time I spent in his home, which was real convenient as it was right next door to the church and an easy bike ride from my house. Rest In Peace, my childhood friend.

I am so saddened to learn of Dennis passing. I met Dennis when he worked for Owens Corning in Memphis. Dennis was my mentor that would work with me to train me. I was located in the Atlanta plant. Dennis was so knowledgeable in every way with OC. Prayers for the Eckert Family 🙏
