Never personally met Mr Moore. In market to buy his old.home, I was curious about the man. I too worked medical field. He looked like a very impressive individual, who looked to have lived a nice, full life.

I only just found out a few minutes ago that Trinner has passed on. I haven't seen him since we were teens, but he always had - and always will have - a piece of my heart. No girl could be luckier than I was to have Trinner as my very first boyfriend, my first love. He was wonderful and the world will not be the same without him here. My love and prayers go out to his loving family and friends who were blessed to share their lives with him. God be with him. God be with you all.

Trinner was my "Little Buddy" for over 25 years. We met as we lived across from the street from each other on Carrollwood in Cordova. Our friendship began as we both went through divorces around the same time. We started hanging out and playing golf, eating and drinking, and spending hours bantering back and forth. We would have witty repartee competitions. He was always quick with a joke or a humorous story. I enjoyed introducing him to friends and family because of his humor. We started a "Little Buddies" club and would meet frequently, but looking back, not enough. Rest in peace Little Buddy Trinner. You will be missed!LBJ - Jeff Rower
