# Doyce Edwin Caver

OCT 8, 1939 - AUG 28, 2022

**D**oyce Edwin Caver was born on October 8, 1939 to the late Lillian Mae Phillips Caver and Marvin Caver of Percy (Hot Springs), AR. Doyce passed away while surrounded by loving family here on earth on the evening of August 28, 2022. He was a dedicated Christian man who met his wife while stationed in the Air Force in Amarillo, TX. After leaving the Air Force, he was a lineman for Arkansas Power & Light (later Entergy) where he retired after 30+ years as an electrical engineer. He was a resilient warrior over the years to fight many illnesses which began with a major heart attack at the age of 30. After this, his life was encompassed with work, family, church, school classmates, pets and a few hobbies such as wood working, gardening/landscaping/hummingbirds, THE RAZORBACKS and eventually world travel. He was always a close friend to those around him and he saw so many individuals as key members of his “family”. Doyce and Betty enjoyed many global experiences during their 57 years together on trips to the Caribbean, Europe, all of N. America, Hawaii & Africa. The family lived most of their years in the Hot Springs, AR area while spending the last 20+ years in the Memphis metropolitan area.

Doyce was preceded in death by his parents, his loving wife and many dear friends & pets. He is survived by his daughter, Kathryn Sue Caver Holsomback (spouse, Dr. Dave Holsomback), his son, Dr. Tony Edwin Caver (spouse, Dr. D.K. Strickland), his favorite and sole grandson, Eric Ryan Holsomback, his dear sister, Patricia Joy Caver Gordon (spouse, Donald S. Gordon), his nieces, Tiffany Strebeck & Tracy McKee, and many grand-dogs. The family would like to thank his medical caregivers over the years and specifically, he and Betty’s loving caretaker, Helen Pierce.

The graveside service will be 11:00 a.m., Friday, September 2, 2022 at Memorial Gardens, 2868 Airport Rd, Hot Springs National Park, Arkansas 71913.

In lieu of flowers, please donate in his memory to the charity of your individual choice.
