Dear Gail, and extended family...it is an expression I've heard over and over, and over again: "Eddy was one of the nicest guys I've ever known," and it is often trivial, or banal, but in the case of "your Eddy" it so true and so comforting to have lived, what 40 years plus, with such a wonderful gentle and intelligent Christian husband. Gail, I will be in touch via regular mail soon, but in the meantime I wish to express my love and respect for you, Eddy and all the family. It was a privilege to know Eddy, even no better than I did. The service was excellent! The music surely so! Love in Christ, John (Brommer)
