I am thankful for the privilege of knowing Jean, being blessed with her love, kindness and thoughtfulness shared toward me and my children as we were neighbors living in West Memphis Arkansas. After a tornado struck our homes and we moved in different directions we lost touch with each other. She always had a smile, a hug and pleasant word. God really blessed us with an angel, Jean, to help us through some difficult times. She will be missed by many. God bless and comfort her family at this sad time. Carol, April, Michael and Rose.
