I love you and miss you badly. One of my favorite cousins, and my heart more like my sister ☐ I can't stomach the fact that you are gone I haven't been okay since you left me and I'm still not okay. Since we where born it was always us from babies until now and it'll forever be us! I hate the fact that you left me jasmine, and hate I can't hear your voice any more. If heaven had visiting hours I would definitely visit you every single day. Missingggggggggg youuuuuu badly girl you scarred me forlife the young version of Loretta and Gloria .. I spent my whole ENTIRE life with you & IT WAS NOT ENOUGH !!!

Hey pretty lady... there are so many past memories with you but I remember you were pregnant with KJ and you sat in front of our door crying because you wanted us to take you to Taco Bell at like 1 in the morning because of your pregnancy cravings. 🤔 I remember when you found out you were pregnant. We had been discussing babies because I was pregnant with Alerria and you were saying you ain't getting pregnant no time soon but KJ had other plans 🤔... you're a beautiful person inside and out and you always lit up any room you were in. Rest well beautiful ❤️
