I remember meeting my future mother-in-law for the first time. Ben & I flew in from Seattle. I pretended I was a UPS driver with a hat and a clipboard. I knocked on her door and had her sign papers for a special delivery. I walked up the driveway to get the "special delivery", which was Ben. She was so surprised! I enjoyed sitting with Nell one special day as she told me the history of her family. What a good woman and she received such good southern respect from her family! We miss Nell, and I wish I could have spent more time with her. Ben and I love her very much. Sue Nelson
