I have been looking for Regina for years. I am so sorry that this is where I have found her. She and I were best friends and roommates at Methodist Hospital School of Nursing. She was the maid of honor at my husband and I's wedding. I always thought I would find her and reconnect. My condolences to Brett and her family. Sincerely, Donna McCormack Doherty.

Regina always said we were more like sisters than best friends. My memories are far too many to list. One of our favorite trips was going to Hot Springs to the races each year. We always ordered hot roast beef sandwiches by room service at least once every trip. We decided to get our hot springs bath and massage the morning we left. When driving home I was so relaxed I had to pull over and let her drive. This is just one memory. We've been friends since 1981. Rest in peace my dear sister, You are and will be missed, I love you!!
