She truly loved the outdoors and was the original nature girl!

After the passing of her husband in 2008, Pat moved to Memphis to be closer to her extended family. She told wonderful stories of her life growing up in Pennsylvania and was often called the “life of the party”! She looked forward to spending time with her family and friends at various functions and get-togethers, and especially loved the holiday season with her family. She enjoyed participating in all the activities at her residence, The Atrium and Cottages at Lutheran Village on Covington Pike. Pat was always up for any kind of adventure or outing with her
