Dawn Lankford Towers or Dawn Christine Towers

Dawn was born on October 18, 1973 in Memphis, Tennessee to Dr. Bill and Sue Lankford. Dawn had an older brother, Ken. The family stayed in Memphis area and settled in Germantown.

As a young girl, Dawn loved gymnastics. She competed in gymnastics for years. The floor was her favorite event-though it terrified her mother. She got to tumble and dance. Dawn's grandmother (later called GG) nicknamed her "dipper" because of tumbling abilities.

Dawn attended Briarcrest High School where she was an active student in organizations and a cheerleader as well. So, she got to dance and tumble some more. She graduated in 1991.

Dawn decided to attend the University of Alabama-Roll Tide! While she was at Alabama, Dawn met the love of her life, George Towers. Dawn and George grew close over their years there. They shared a love of music. They went to many concerts, and Dawn fell in love with one of the bands-The Dave Matthews band. They became her favorite group, and later, George made sure to get tickets anytime the band toured close by.

After graduation in 1995, Dawn and George came back to the Memphis area. Dawn went into the family business with Sue and Ken. She learned and excelled at the screen printing and art side of the business.

Dawn and George were married on July 20, 1996. They shared a life of love centered on family, friends, and fun. In August of 1999, Dawn and George had their first child-Elizabeth Hadley Towers. In April of 2003, George Edward Towers III was born into the family. Dawn loved her family fiercely and enjoyed being with them.

OCT 18, 1973 - JUN 12, 2023

Dawn lived simply. She loved the family farm, music, dancing, dogs and sunflowers. She went to be with the Lord surrounded by the love of her family. She will be sorely missed but fondly remembered by those left behind.

Dawn was preceded in death by grandparents Clarence and Eunice Walton and Walter and Helen Lankford. Dawn's legacy is left in the lives of her parents Bill and Sue, brother Ken (Marla, Corey, Emily, and Abby) and most importantly her husband of 27 years, George and her children Elizabeth and George. The sun has set on Dawn, but her light will warm the memories in our hearts.

George and family, Too many great memories-University Downs at Tuscaloosa when we were neighbors in college. I always looked forward to grilling steaks, watching Alabama Football and most of all going to see DMB at the Tusk. Your tumbling skills were on point. Your smile and laughter will not be forgotten. Thank you for all the great memories and adventures. Wishing peace and comfort, love and miss you! Christy Marley

Ken, your family and Dawn's family and the entire Saw Textiles family; My heart is broken today, I have been a client of Ken and Dawn's for many years, and both are my friends, we share and care for each others lives. Dawn made such a profound impact on my life, she will be well thought of often and greatly missed each day. Unfortunately words can not express my sorrow and hope that the family will work through this and God's light will shine on all. The world has lost a tremendous human, mother, wife, sister and friend. My faith in God tells me she is safe in his arms at rest. We must all carry on in good faith and create a legacy she would make her proud. Kim Colletta

To Sue & Bill, Our hearts are broken for y'all. It's a club no parent wants to ever belong to—unfortunately, we know first hand. Should be a law against a parent ever losing a child no matter how old they are. I haven't seen your kids since they were very young but all the beautiful comments told me what a beautiful person she was ! Sending hugs and prayers for all, Emy Joe & Keith Bilbrey

I was so sad to hear of Dawn's passing. I knew things didnt look good but I was hopeful that she would be okay. I sell screen printing and embroidery items through SAW. Dawn was always so kind teaching me about the business. She definitely had a big talent on the art side. I have never seen a person move so fast. One time we were talking and I asked her a question. I looked up and she was gone. Always loved talking about Alabama football with her. Sue and Bill, you certainly raised a daughter that was just as beautiful inside as she was outside. I will keep all of you in my prayers. Rob Wallace
