**Lisa Spena** lit a candle in honor of Charles.

I worked for Dr. Causey in 1981. I was fresh out of dental assisting school. I enjoyed working for him and learned much. He was a sweet, gentle man and his patients adored him. I went on to join the Air Force and never saw him again. I have thought of him and Sallyone (S1) often through the years. You never forget your first boss and he was a mighty fine one! You will be missed Dr. C.. With prayers of comfort for your beautiful family.. Lisa Curtis (Spena)
