Livvie you will be so missed at the St. Peter gang get togethers; your smile, kindness, and your determination to live life to the fullest. You and Sr. Betty can save a seat for the rest of us at Panera's in eternity. God rest dear friend.

I feel so cheated. I didn't have the opportunity to say goodbye, see you later. You came into my life at a time that we all were fighting our battle of cancer; yet we found so much to laugh about as we exercised (planking, balance standing on one leg and so much more). Boy did we have a wonderful time. You were always so full of life and offered laughter wherever you were...I'm just now finding out about your transition - hey, save a place for me. You will be. as you have been over the years that's passed, missed so dearly. My heart hurts right now, but I know you are in a much better place...hold a spot for me ole girl. I WILL FOREVER LOVE YOU.

My dear friend from high school, I miss your beautiful smile and your bubbly personality. We had many good times in those years at Treadwell. Rest in peace my friend and save me a place. 😊
