Carl Price

JUN 13, 1952 - DEC 30, 2023

Carl Price, 71, resident of Bartlett, TN, and husband of Kathy, went to be with his Lord and Savior Jesus Christ on Dec. 30, 2023.

He was born on June 13, 1952, in Stroudsburg, PA, the son of Lyman and Frances Price.

He passed away peacefully at home after a long illness of pancreatic cancer. Carl attended Bartlett High School, Memphis State (now University of Memphis) where he graduated with a master's degree in education. He went on to teach math for 38 years, retiring in 2015 from Bartlett High School, his alma mater. He also taught at Oak and Dogwood Elementary. Throughout his career as an educator, he touched the lives of many students, many of whom still keep in contact today.

He loved camping and backpacking with his family and traveling to National Parks. He also loved gardening, making sure there were crops of garlic to last the whole year. He was an avid Cardinals and Memphis Tigers fan. He was a member of Bartlett United Methodist Church and was active in the Fellowship Sunday School class. He spent time daily in God's Word and had an unwavering faith in God's sovereignty.

He is survived by his wife of 38 years, Kathy; daughter, Lauren (Adam) Harrington; son, Michael (Caroline) Price; brother, John (Judy) Price; grandchildren, Kinsley, Jude, Gloria, and Paxton; and many nieces and nephews.

In lieu of flowers, memorial contributions can be made to Grace Methodist Church of Lexington, TN (42 Plantation Drive, Lexington, TN 38351) or Bartlett United Methodist Church (5676 Stage Rd., Bartlett, TN 38134).

The family will receive relatives and friends on Friday, January 5, 2024 from 5:00pm to 7:00pm at Memorial Park Funeral Home. Funeral Service will be held at Bartlett United Methodist Church on Saturday, January 6, 2024 at 10:00am. Burial will follow at Memorial Park Cemetery.

I remember the day that Carl had a substitute teacher because his mother had passed. I went to his classroom to unlock his door approximately an hour before school started and he was sitting at his desk. He said he didn't want his students who were struggling with math to miss his tutoring session.. He was so dedicated to his students and always thought of others before himself. He will be missed.

It's been many years since I was a student of Mr Price's and somehow I mentioned his name last week when my son told me he is starting Algebra in math class. I said I had the best Algebra teacher, Mr Price! I was not a fan of math in the 9th grade and was frustrated that it wasn't coming easily to me. Mr Price came in early several days a week to help me understand it and it finally clicked. He was patient and so encouraging, never judgmental, and always willing to explain it one more time. I'm so grateful for him. He had a profound impact on me as a young person. I became a teacher as well for 15 years before starting my own business. And now I'm happily doing Algebra homework with my kids. He's left a great legacy in more ways than that. Thank you, Mr Price. You will be missed. Paige (Cannon) Killian BHS c/o '99
