**Kim** posted:

Audrey, Your dad was a very special man, he loved you very much!! I remember meeting him for the first time at the TSTC graduation so many years ago. His great big hug, smiling from ear to ear; he was so proud of you and still is today!! It was an honor to know him and to hear stories about him through you. Lean on your friends because we are here for you. Many prayers for you and the entire family.
