My one and only brother how I loved you. We had so many wonderful times when we were younger. I will always remember the outings where we went golfing, fishing, playing basketball, and just sitting around and talking together. How I have prayed for you and your family. I will always think of you with a loving tear in my eye my brother and good friend. There is no more pain and suffering. RIP

Praying for Steve's family in their time of grief, but that doesn't last as long as the fun, laughs, and love he had for them. I'll never forget all the fun we had on the golf course Steve, your name is written on a score card that I will keep forever because you witnessed my first hole in one!

As you go through life, many friends are made. I can honestly say that Steve was my best friend. We thought of each other as brothers. Our friendship was formed over many countless rounds of golf and I'll always cherish those memories. You left this earth way too soon but I know you're at peace now and that brings me a sense of comfort. I love you and miss you bud. I'll think of you every time I tee it up.

So very sorry for your loss Joe. May you and your family find comfort in the memories of laughter and smiles shared with Steve. Through stories remembered, Steve will provide comfort as you and others grieve his physical absence. May he often be recalled to ease your thoughts and pain with a mindful smile. Pat Bell
