Otto was my neighbor and good friend for almost 25 years. We had a lot of laughs together. We spent a lot of time together telling stories about the good ole days and worked together doing various projects around our homes. My deepest condolences go out to Kay and the boys. My God bless and comfort you in this difficult time. Tony Durham

Mr.Otto Clifton was my neighbor and friend for 17 years , he was like a grandfather to my children, he would always ask about them and wanted to know about their lives. I enjoyed listening to his stories about Brinkley Arkansas, his college days and his various projects as a construction engineer and supervisor. He was a man full joy and humor. Otto was the security guard of our cove, nothing got past him. Our family and cove will miss him. We're praying for God's peace for Mrs. Kaye and her family. Jay West
