my heartfelt condolences to mila's family esp her only daughter rachel and husband manuel from my home province of victoria tarlac city. Dr pascual and I worked together for several years in albany , georgia where she was my Clinical psychiatrist director. i will surely miss her. We continued to call each other since her retirement. I am so sorry of her passing. She was very religious and kept her strong faith in God throughout her entire life. She is a very devoted mother, caring and compassionate. May she rest in peace and your memory will remain with us forever. We love you mila.
