Ms. Pat was like my second Mother to me. Met her at the knitting group years ago when it was Ms Kay Ms Pat and I. Then it was Ms Pat Katie and I. She taught me how to knit. We had wonderful times sitting on her patio at her house She would show me all her flowers and she knew each one. She worked hard in her yard. She loved her lilies that her Mother had gave her. One was called Melanie. She loved her family. I felt like I knew each and every one of you. This just breaks my heart. Loved her so. She helped by talking to me when my Mother got dementia. She helped me thru it She will be missed dearly
