Pinmunner, I am not able to be with my family today to honor and celebrate your life. I love you so dearly. You have been the most amazing example of Christlike love; what it means to honor the Lord and what it means to share the Good News to everyone. You loved beyond any barriers. It didn't matter anyone's color, age, religious belief or gender - ALL were encouraged to know Jesus through your ministering to them. You knew we ALL needed Christ. Thank you for showing us what that looks like. May we honor you; may we honor God by continuing this pattern with those around us. I love you!

We know Genie will be sorely missed. It was always a joy to run into her because she was always smiling. When we saw her scooting through Walmart in her 90's we were inspired by her energy and smile! You can rest now in the knowledge that she is resting in Jesus's arms.
