Debra You will be forever missed! Thank you for all of the smiles, friendship and laughter over the past 20 years. I always looked forward to our conversations and hearing the latest crazy story you had to tell. I know you are with the lord and are finally pain free. Hope you are up there flying around on that big turtle!Chad

My contact with Debra goes back around 20 years, as an AutoZone Admin. She was always helpful, providing great advisement and with a sense of humor that was always uplifting. I will always remember the kindness Debra showed me. May her family and friends find comfort in the memories of the times they spent together...RIP DebraSheryl YoungAZ Atlanta Reg Office

Debra was my 6th floor friend, my buddy. When I found out she was out for chemo I started taking care of her plants. She started calling me her plant lady. She was so excited when she came back and they were flourishing :-) I love plants too and did not want them to die. I told her I got you girl.. I want to remember her as a woman who always spoke her mind, she was loving and caring. She was concerned about her hair when she came back to work. I told her girl your hair is beautiful and to embrace it and said yours looked better than mine ... we both laughed. Debra get your rest. There is no more pain and suffering. I miss you and Love you. That corner where you were sitting will not be the same. I won't be able to say hey girlll,, heyyy... Don't worry your plants will be fine. I got you? My friend, my buddy Love you Sharon Richardson

My dearest Debra, Words cannot express how much I miss you. The memories of our time together at AutoZone are treasures I hold dear. I vividly recall the joy and excitement in your eyes when you met David, and I cherish the profound conversations we shared about faith and politics. I am truly grateful for the video you sent me of your time at Cindy's house during that sleepover before your appointment. It brings me comfort to hear your voice again, and your heartfelt words, "I love you too," resonate deeply within me and will remain forever etched in my heart. I love you dearly and miss you more than words can convey. With all my love, Your friend, Mary (or as you lovingly called me, "Mare"). I pray for the peaceful repose of your soul.
