## **Allen B. Adler**

DEC 12, 1937 - JUN 7, 2025

**A**llen Bernie Adler, 87, of Collierville, Tennessee, passed away on Saturday, June 7, 2025.

A graveside service will be held to celebrate Allen's life on Saturday, June 21, at Memorial Park Funeral Home, Memphis, TN. Visitation will begin at 9:00 am, followed by the graveside service to be conducted by Buster Clemens and Eric Gentry at 10:00. In lieu of flowers, the family asks that donations be made to Highland Church of Christ (400 N. Houston Levee Road, Cordova, TN 38018) or Harding Academy of Memphis (1100 Cherry Road, Memphis, TN 38117) to honor Allen's lifelong spirit of generosity and care.

Allen was born on December 12, 1937, in Shreveport, Louisiana, to Samuel Leopold and Telfain (Seaton) Adler. He married the love of his life, Dorothy Eugenia "Gene" Campbell, on June 18, 1960. They had been married for 63 years when she passed away on January 12, 2024. Allen was an investment banker for nearly fifty years and cherished the relationships he built throughout his career.

He was an avid golfer and was a founding member at The Tournament Players Club at Southwind in Memphis, where he played countless rounds of golf. Once his body wouldn't allow him to play golf anymore, he played cards with his golf buddies every week. However, there was nothing Allen loved more than his family and being "Poppy" to his grandchildren and great-grandchildren. He adored them.

He is survived by his beloved family, including his daughter Amy Adler Murphy of Memphis, TN, and his son Alan Lawrence Adler (Tonya) of Panama City, Florida, grandchildren Ethan Murphy (Leanna), Morgan Murphy, Jesse Adler, Cody Adler, Skyler Adler, and two precious great-grandchildren.

Allen was preceded in death by his parents and wife, Gene C. Adler.

It's not so much a memory, but a characteristic(s) from my perspective. Mr. Adler was such a caring man for others. He always put others before himself and made sure others were taken care of. He was fierce, and gentle at the same time. Both in the best ways possible. Most of all. He was most definitely a family man. He loved his family more than anything. He had love for each family member in his own special way, individually. No matter what their flaws were or how many they had. Because no one is perfect. He was there for them and close friends every time they needed him. He never gave up on anyone he loved and I will forever admire him for that. He was very intelligent and hard working. Always looking for something to do and never turning down a good lunch with friends. Unless he had to, of course. He was the type of person people want more of in the world. You know, someone courteous, thoughtful, and mindful of others around him. Strangers and all. He had chivalry and showed respect. The things we see less and less of everyday. He will be missed, truly. Most by his family and close friends. My deepest condolences to them. Rest easy Mr. Adler. I was blessed to have known you for as long as I did. Thank you for always being true to yourself and others. The world will be a little more darker without you.

His humor in general. The he said "what" when he couldn't hear you will always be the greatest.

Allen (Poppy) Adler was a sweet loving man. Always there for any and everyone. I was blessed and honored to call him my father in law. His love for his children and grandchildren was with all his heart. Heaven has gained a beautiful soul and has received an angel of mercy. You Sir will be missed dearly. May you rest in peace. We know you are at peace and so happy to be with Nana. We love you ... Larry, Tonya and Skyler Adler.
