Growing up, Mr. Glen would always let me and the other neighborhood boys play on the basketball goal in his driveway. I always thought highly of him and would enjoy catching up anytime I saw him at church or in the neighborhood. Thankful for the examples of kindness that he showed to us growing up. -Ben Foster

He was such an amazing father-in-law and some of my favorite memories were watching him perform in the Singing Christmas Tree at Bellevue and then driving the trains for our community events at Restoration Church Munford. Our Faith family fell in love with his great big smile and his love for the ministry! We lost a great man but he is now celebrating and singing with Jesus. We know he will be watching over us and waiting for us to come join him when it's our time. He loved unconditionally and he is already missed tremendously but I am so glad that he is no longer in pain!
