

Brandy Adams

July 2, 1974 - April 8, 2020

Brandy was a very good person. She is the kind of person who would try to make sure you had everything you needed. If you were in trouble or someone wanted to hurt you and she knew.... she'd solve it fast. She was so brave and wasn't scared of anything. Brandy was the kind to make sure you were happy or laughing. If you were mad or upset and she knew it, she would try to cheer you up and put you in a good mood. There are too many memories with her to name. The best ones would be holidays when she was with everyone and having fun. We know that she is looking after us and keeping us safe along life. We love you Momma. Brandy was preceded in death by her father, Phillip Schwartz. Her survivors include her son, Jesse Adams; daughter, Sadie Adams; mother, Margaret Muratee; sister, Christy Capers; brother, Aaron Muratee; aunts, Jennifer Womack, Linda Holland, and Lynn Duke; nieces and nephews, Waylon Bass, Jordan Capers; and cousins, Kelli Meeks, Maurice Meeks, Zayne Holland, and Darrell Holland.

Comments

“ Everyday was a memorable day with her. She was the best mother a son could ever ask for!
