

Bridget D Harmon

November 2, 1948 - October 7, 2020

Bridget D. Harmon was born in Muncy, Pennsylvania on November 2nd, 1948 to Mrs. Eleanor Shirey Dirner and Mr. Francis Dirner. The youngest of 4 children, she excelled at both academics and athletics. Upon her high school graduation in 1966, she moved to Greeneville, Tennessee to attend Tusculum College as an education major. As she did her entire life, she never let an obstacle stand in her way, making the men's tennis team while at Tusculum. In the fall of 1969, she met the man she would spend the next 50 years of her life with. She married the love of her life, Gary Keith Harmon, on May 30th, 1970. After graduation, the couple settled in the Philadelphia area. Bridget worked as an educator for the next decade, before moving onto her second career as a mother and community organizer. She utilized her skills and what she learned as an educator and became the president of multiple PTA's, community groups, and volunteer organizations during the 1980's and 1990's, raising hundreds of thousands of dollars for various endeavors.

Bridget's true passion was her family. She was a proud mother to 3 children, always putting her family first. After numerous moves, she finally settled in Memphis, Tennessee. After a long battle with Dementia, she passed away peacefully on October 7th, 2020. Bridget is survived by her husband Gary, her daughters, Samantha Harmon Madeksho and her husband James Madeksho, Kristie Harmon Moore and her husband Terry Moore, and her son David Harmon and his wife Sarah Harmon, 6 grandchildren, Ashleigh, Alexa and Jackson Harmon, and Benjamin, Liam and Peyton Madeksho, her father-in-law Albert Lee Gregory and her sisters Terry Vogel and Karen Miller. She will be laid to rest on Tuesday, October 13th, 2020 at Memorial Park Cemetery in Memphis, Tennessee. “Bridget and I enjoyed over 30 years of sliding in and out of each others lives but she was and will always be in my best thoughts and memories. We shared so much together. We both moved around the country and separated but every time we came back to the same location, we united and promised we always would. I will see you some day, Bridget. I have never known anyone who loved her family more than Bridget. You ARE an inspiration.

“ Aunt Bridget is one of my role models from childhood. What rare time I spent in her company taught me that a girl could be smart, inquisitive, caring, kind and strong. She made an impact on me that no time or distance could lessen.

I was blessed and comforted by her presence at Dad's memorial service three years ago. There was much she did not remember, but she had her sense of humor and her twinkle in her eye as we stood in the theater where it was held. She was my Aunt Bridget even then and I found strength on that most difficult day.

My thoughts and prayers are with Uncle Gary and his family at this time. My condolences.

Shock falls soft like snow;
Drifts blow through clear memory;
Cushioning the blow.

Night birds glide across dusk;
Kissing the winds with wing beats;
I remember you.
