“ I'll never forget you fee. You could light up a room and put a smile on anyone's face. I pray you have your sweet smile back and your heart is happy. Love you so much.

“ I have lots of memories of Chip. My favorite moment was when we were in Indiana for training back in September. We were in the hotel and i came to Chip to tell him that i was upset over a personal matter. He hugged me so tight and listened to me and said "honey you are worth more than that" and took me out for some drinks/food. We talked for hours and laughed so hard. people were staring at us but we didn't care. He was so special to me and i am lucky that we met in this lifetime. i will forever cherish our memories. BYE NOW MARY. You will be truly missed by so many. My condolences to Chris and the family.

“ I had the honor of meeting you through my cousin, Chris. You were always warm, kind, and generous and would open up your home to me whenever I would visit. Go rest high my good man.

“ When I went to do inventory last year in Ohio, that's when I first had the privilege to meet Chip. I spoke to him for 9 years over the phone from Cali. When in Ohio, we had endless laughs, hugs and amazing talks. My best memory of Chip was when we danced at a Jazz Club. I didn't know it was possible to dance to Jazz. I Love you my sweet dear friend. You will always be remembered and most importantly Loved.

“ I actually only got to meet Chip once when he came to Houston, picked him up at the airport but I cannot count the number of times for probably over 18 years I spoke with him on the phone. You could always tell he was smiling when he spoke to me, he was always so sweet and thoughtful. May your soul rest in peace. Prayers to your loved ones, friends and colleagues.

“ Chip.....I have no words really because the news of your passing really saddens me and to be honest I don't want this to be true. We always had great laughs and conversations together. I am deeply saddened by this. If only we could have had one more laugh and one more hug. I love you always and I'm going to miss you and that accent . In your words and voice “bye now” but in my heart it's see you later. This picture is how I will always remember you....that SMILE. Rest in Heaven chipper.

“ I was so very sorry to hear about Chip. Although I never got the opportunity to meet him in person, I spoke with him several times a week on the phone conducting business. He was so very kind, polite, and helpful. Something that is missing for the most part in the business world today. My deepest sympathy to his family, friends, and partner. You will be missed, Chip!

“ I will forever cherish all the years I had the pleasure of working along side Chip. There are no words that can begin to say how sad I am that you are gone. My prayers are with you Chris and Mrs. Wanda and Mr. Charlie. Chip was one of the kindest, most honest people you could ever meet. You made us laugh everyday we went to work. I will forever miss you my little "dancing queen".

“ I have known the Fee family for about 40 years. I have known Chris and Chip for well over 20 years. I have so many memories of camps and youth trips and church activities. Chip was always making me laugh. We had more fun being together. Chip's impression of Jimmy Carter is constantly popping up in my memory. He was such a hoot. Our friendship continued into adulthood and I was fortunate to meet Chris and be included in their life on multiple occasions. They were so loving and kind. I always cherished our times together. I was always happy to know that they had each other to go through life with. Now, we are all at a loss. Chip's family will forever miss him. And Chris, I am thinking about you and praying for you as well. Chip's absence from the every day living is going to be hard. Having built a life for almost 30 years with each other, and suddenly having to figure out how to navigate without him is very hard to imagine. Please know that I am here, loving all of you and praying for comfort and peace for you. Chip, I love you and we will see you again. Tell Sally and Sterling hi for me up there.
