“ Charlie was always such a dear sweet man! He will be missed in our neighborhood as he was such an inspiration!

“ My husband and I lived next door to Charles for 12 years and always enjoyed having him as a neighbor. Charles and my husband had many long talks about life and were good friends. I'll miss seeing him walk his dog Coco through the yard and his searches for errant golf balls. He was a kind man and will be sorely missed. I'm sure the love of his life Juanita was there to greet him to continue their journey together.

“ I have known Charlie since childhood, when his younger brother, Johnny and I were friends and I really got to know him when we had the opportunity to work together in 1975. Charlie always represented the ultimate in integrity and honesty. He treated everyone with absolute respect. I'm saddened to hear of his passing and confident that after a life we'll lived he and Juanita are enjoying a heavenly reunion.

“ Our friend, Charlie, was a kind and gentle man who was always a joy to be around. He was a devout Christian who practiced his faith on a daily basis. All of his neighbors will surely miss this sweet man.
