“ As I was reading my sweet husband’s obituary I discovered that your wonderful mother had also passed on. How many games of bridge and golf did we enjoy, both families being meting members of Colonial CC. Tiger fans we were as well, and she knit for me several things with Tiger insignia. She is now reunited with her precious Nick.

I am so grateful for our friendship.

“ My heart goes out to the Futris family. Adrienne and I have been friends for so, so long and I've known some of you most of my life. Even though miles have separated us for quite a while, I care about each one of you and am so sorry for this loss. I pray you find peace during this difficult time.

“ Thea Christine was always my favorite aunt. She would come visit many times during my formative years with Theo Nick and all my beloved cousins, Elaine, Anthea, Telly, Maria and Adrienne. She was beautiful and to me was so glamorous! I loved her laugh, her hugs her smiles and loved her sharing stories. Thea Christine and Theo Nick brightened my life and I am positive she is brightening heaven being back with her husband and family lost in the arms of our heavenly father. That's a reunion I can't wait to join. Miss you my Thea Christine.
