“ I hired Ms. De to work Hallmark cards at Walgreens. She was 80 years young. She was determined and independent and very rarely asked for help. She had her special cart, and everyone knew not to touch lest you deal with the wrath of Ms. De. If you touched her cart, you only did it once. She lived a magnificent life. I am so glad we reconnected over the last few years, and I was able to spend some time visiting with her. Mandi Pack

“ So much I didn't know about De in all these years except she thought the world of Earl!!!  
She loved her yard and decorating anything that stood still !!...she taught me if you do a job ,do it well and what a thrill she got from her pet chipmunk to her beloved dogs.....goodbye De and see you again when the saints get together on that glorious day.
