“ Dear family of Donna...She & Charles, along with their sons, Chuck & Randy, came to Parkway Village Church in the early 70's where we started serving in the Childrens Dept. and in visiting members of our congregation while in the hospital. We shared this wonderful ministry over the years. We also had a group of friends that we called the lunch bunch, sharing together on our B'days the news of our families and concerns of our fellow church members. We added our husbands at Christmas with a great time of fun & fellowship. God has blessed us down thru the years since we left Memphis and retired in Fl. They came to see us a couple of times and our friendship has continued through the years. Donna was truly one of the most sweet and dedicated Christian woman I have known. How blessed Bill & I were to count She & Charles as our dear friends in Christ, spending many special times in their home. Their boys & families have always been special to us and we were together during the good days as well as the more difficult. How faithful all of the family has been to them during these last years, How loved all of you were by Donna & Charles. May all the precious memories you've shared be a source of peace & comfort during these coming days...Forever friends....Phyllis Benson & family..2nd.Cor.1:3-4, Ps.116:15
