

James Bradford (Brad) Doby

January 2, 1982 - December 31, 2020

With deepest sorrow, announce the death of James Bradford (Brad) Doby, 38, of Memphis, who went to be with our Heavenly Father on December 31, 2020, from complications due to Covid-19.

Brad was born January 2, 1982, in Memphis where he graduated from Harding Academy of Memphis, Class of 2000. He later attended the University of Tennessee where he obtained his Doctor of Pharmacy. As a board-certified pharmacy specialist, Brad served the role of pharmacy manager at the Walmart Neighborhood Market Pharmacy in Marion, Arkansas.

Brad is survived by his daughter Molly Mae Doby; his sister Amanda Lauren (Mandy) Doby and son William Ashton Klinger; his sister Leigh Ann Doby (April); his brother William Barton Doby (Amy) and children, Drake and Ella; Brad was preceded in death by his parents, William Gerald and Paulette Tomlinson Doby; his maternal grandparents, Dee Daniel and Bobbie Lee Tomlinson; and his paternal grandparents, Claude Albert and Carrie Austin Doby.

Brad was a loving father and a best friend to his sister Mandy. He was very close to his family, his friends, and also his beloved dog, Sam. Those who knew Brad, even just a little, have lost a shining light in their lives. He had huge heart and was known to make everyone he knew laugh. As a pharmacist, he was very intelligent and worked very hard for his patients with whom he established a genuine rapport. He also cared for his employees and colleagues and never passed up a moment to educate and share his knowledge to make those around him be better, not only as a person, but to be better in their profession. Heaven has certainly gained an angel.

“ Brad and I lived together our sophomore year of college in the KA fraternity house. We certainly had a lot of fun together and he was always a really good friend. Over the years I have often thought about the fun and laughs we all had together and it truly pains me to learn today of his passing! My heartfelt condolences and prayers to his daughter, sister and entire family. A great guy taken way too soon!!

“ I am ABSOLUTELY floored and so saddened to learn this sad news. I hung out with Brad and his sister and grandmother a few summers ago and he was trying to teach me to play golf as we are both lefties and he had a fine set of leftie golfsticks... I never caught on but he was ver patient and was always ready for a good glass of wine, great music and always enjoyed a great belly laugh. I send my sincere condolences to his precious daughter and his family during this most sad time.

“ I first met Brad when he was a pharmacy resident at Methodist. I also had the pleasure of working with him after his residency. It was great to see him grow professionally. He was always entertaining to work with. I am so sorry for your loss. He will be missed

“ Got acquainted with Brad at the Pharmacy, I was one of his customers, and right away we became friends, and I want to express how sad it made me to find out about Brad. Praying for peace and comfort for the family.
