“ I worked with Jean from 1991-1994 at Mobilecom. Jean was such a sweet soul. At my wedding my grandmother could not believe Jean was older than her. She never acted her age, and that was a good thing. We stayed in-touch over the years until the last few. I stopped by her place a few time and called a few time with no contact, so I assumed she had passed. To my surprise, in March of 2020 I received a call from Jean while I was on vacation and we talked for about an hour. Over the last year we spoke several times. I was so very sorry to hear of Jean's passing. You made an impact on mine and my families life. You will be missed.

“ From a long relationship with my father (deceased), her CPA, I began a long business relationship with MS Jean which turned into a friendship quickly as she was a special person.
I will miss her, but honored to have known her and call her my friend.
