“ I graduated from Columbia Central with Lois in 1969. We didn't keep in touch but became reunited recently after 50 years by phone and facebook. Lois did love the Lord and her brother, and her cat Sassy! I enjoyed talking with her and did not know that she had passed away until a week later. I miss her but know she is in Heaven now with her parents.

“ Lois and I worked at the University of TN together, she in nursing and i in the cashier office. We did a lot of things together. We haven't kept in touch in last several years. She was a lot of fun to be with & do things with. Steve so sorry for your loss, she talk about your children all the time & was proud of them as if they were her own.

“ Lois often talked about her Lord and how she longed to be with Him and reunited with her family. We rejoice that she is now joined with her Savior and rejoined with her family. We are donating to the charity, Samaritan's Purse, in Lois' memory. The children of Ray and Janet Sharpe.
