“ Creighton Family, my prayers are with you during this difficult time of losing your mother but yet rejoicing time knowing she is in Heaven. She was a very special lady and she loved her family and our Lord. Her smile and laughter were contagious. Thank you for allowing Trinity Hills to be a small part of her life.

“ Margaret Crichton and her family were our neighbors in Germantown as our families grew up starting in the 1960's, as far back as I can remember. Many of my childhood memories include being in their home with one or more of her children. There was much to admire about how their family emphasized the importance of faith and family dinners as basic family dynamics. It reminds me how our families are a integral part of a community, in our own way.

The memories my family has of the decades of growing up with the Crichton family will never be forgotten. They are a part of our lives that we cherish. It is a moment we reflect on with the passing of Margaret Crichton.
