Comments

“ Nancy was in my Sunday School class for many years. She often surprised me with her knowledge of the Bible and sometimes with her interpretation. I lost my husband just a few months before Nancy lost Frank, so we kind of leaned on each other to help us through our grief. I always admired how well dressed and attractive she was. Nancy was a good friend, a true child of God, and I will miss her. Paula Collie

“ My sympathy goes to the family. I enjoyed fellowship in Sunday School class and worship services with Nancy and Frank for 20 years. She was a caring and lovely lady, and I will miss her.

“ Best cousin I could ever have been blessed to have close by in the last several years. A giving, praying kind lady who lived her faith and prayed for my grandson and family every day. I will miss her very much but comforted to know she is with our Lord and Savior, Jesus Christ and others she loved.
