“ My deepest condolences to the Mattingly family for the loss of Livy. It has been my honor to call her my friend for over 35 years. Livy made the world a better place. A natural friend to all and a tenderness for any animal who passed her way. Livy was smart, funny had exquisite taste and tuned into everything around her at all times. She had the best advise and was honest and loyal to those she loved. I will miss her every day, yet she will be in my heart forever.

“ Livy was a wonderful person. I have had the privilege of knowing her all her life. She visited in our home and with my daughter Tammy many times. There is a reunion going on in Heaven with her father Tom Mattingly. Even though Barbara and the family as well as many friends have heavy hearts, Livy's suffering is over. From the words of Jesus she is now as the Angels in Heaven.
