

Roger D. Buehler

December 20, 2019

Roger D Buehler stepped into eternity with Jesus at 2:00 am December 20, 2019. Roger leaves behind his wife Eva, son Brandon (Christine), also their daughter Kallie (Taylor). Roger and Eva have been blessed with four grand children. Roger was preceded in death by his father and is survived by his mother, two brothers along with their wives, their children, and their grand children. Roger grew up in their home with his two brothers. Their parents, Clyde and Betty, raised their sons to be strong loving Christian men. Their home was filled with love, boy stuff, solid moral guidance, and tender mercy. They grew up and followed in their parents foot steps; to honor and serve the Lord. They continue to extend their parent's legacy to each of their families.

Eva, and family cannot begin to share the true extent of their families life. We have been so blessed; with Roger leading.

Roger loved to fly. He went to work everyday knowing he had fulfilled every dream a little boy could ever imagine. First a Navy Pilot and then Flying for Fed Ex. Roger did not know a stranger and was a friend to all he met. He was hard working and dedicated, but he still knew how to have fun. He could be a sneaky practical joker.

Our Family would love to extend our invitation to you.

“ My name is Terry Callaghan and I met Roger and Eva in the Navy. We were students in VA-122 in 1978 learning to fly the A-7 Corsair at NAS Lemoore Ca. Roger was great fun and kept us entertained during the stressful days of carrier qualification in the A-7. Steve Delugos gave Roger the nick name B-wave , it fit. We had fun times, I've got some great pictures of us all at a pool party. Young, slim and trim with beautiful wives. I lost track of Roger and Eva in the early 1980s. I found out about Rogers' passing by checking the In Memoriam section of Airline Pilot Magazine. I stayed the Navy and retired in 1992. I was then hired by United Airlines and retired from UAL in 2015. Sounds like Roger had a great life, my condolences to you Eva. RIP Roger" B-wave" Buehler.
