“ Bill, old friend, I am so sorry for Sylvia s passing. But with Helping manage Gisela’s dementia, I have a modest appreciation for the road that she, you and the family have traveled.

At least Sylvia is at peace now, no longer mentally tormented. And I pray you may have the peace of mind of knowing that you helped her fight the good fight. God Bless, Larry (& Gisela)

“ I believe I went to school with her at westover in Union City. I moved away but I have a picture of her. I'm the 4 the grade I have saved. Her father worked at the court house.

Sorry I never got to see her later. Sounds like she has a great life and family. Sorry for your loss!!

“ In all the years that I have known Sylvia and in various settings (working together at White Station Elementary, being members together of Alpha Delta Kappa teacher sorority and Floral Friends garden club), I have always noted the consistency that she showed. Sylvia was consistently sweet and kind to everyone, no matter who they were or what their view point was. She respected everyone. Sylvia was always a safe port in the storm. She also had a delightful sense of humor that could brighten your day. Heaven is all the richer. Fly high, Sylvia !

“ Sorry to hear of your loss, prayers for the family, I'm Aunt Annie's great-granddaughter

Sybil Lanae Morris Plagman, my grannie was Mary Sybil Wingo Osteen. May God give you comfort and strength through this difficult time. Aunt Opal was one of my favorite Aunt's. I'm sure I met Sylvia at one point, but I just don't remember.
