Tosha L. Costello was born December 14, 1982 to Robert (Deceased), and Delois Shears in Crumrod, Arkansas. She transitioned from this life in the early morning of October 18, 2020. After graduating from Elaine High School in Elaine, Arkansas, she moved to Memphis to live with her cousin, Jane Lecorn, who became like her second mother. She started working with the Shelby County Sheriff's Office from August 2001 until March 2015, with a break from July 2004 through April 2006. During this period, she worked with Burlington Coat Factory.

Tosha met the love of her life (Kurt Costello) on October 1, 2010. They were joined together as one, May 16, 2013. On July 24, 2015, her beautiful baby boy, Luke Evan Costello, arrived. She was a dedicated wife and mother. She was a devoted mother, first and foremost. She treasured her son and embraced every moment with him.

Tosha has always been a smart, beautiful, kind, and creative person. She had a smile that would capture your heart. She made a lot of friends and associates along the way. She was a talented artist. She studied Art and Interior Design at the Art Institute University. She also received a certificate of Criminal Law & Procedure, with honors, at Ashworth College. She loved to work on projects and create things around the house. She had such a vivid imagination. She was a wonderful and talented writer. She decided to become a Writer/Author, and published her first book October 17, 2017, titled "A Little Cream In My Coffee". She went on to write four more books. Her intentions were to publish a children's book, in the near future.

“ I will always remember Tosha as a very beautiful person, inside and out. She had such a sweet, sweet spirit. I will always hold in my heart the memories of her big beautiful smile and fun loving spirit. Tosha always had a big smile and joke for me. Rest peacefully beautiful lady in the loving arms of Jesus. “ My heart is hurt because I just found out today of your passing. You were so sweet and the short time that I got to know you I will never forget your little shy smile and quiet demeanor. You were a Angel on earth and now you have taken your reign eternally. love you Tosha

“ Kurt I am so sorry for your loss. I wish I lived closer so I could tell you that in person. Rest assured that you and Luke are in my prayers. At times like this there isn't too much left to say except to take care of yourself and Luke, that is what Tosha would want she loved you both so much. If there is anything I can do please let me know.
